But is there a darker side to the spiritual plane? Those that would like to unearth the truth for themselves can book a two-night stay at the White House Hotel from 07 October 2022 to 09 October 2022 for £700 for two people sharing. During this unique evening event, guests are invited to enjoy a meal under the starry night sky on the magical island of Herm. After meeting in Herm Harbour at the Crane, participants can stroll to Bear's Beach where a professional astronomer will be entertaining them. Minimal light pollution in Herm creates a wondrous setting for stargazing. As dusk begins to fall, observers are able to navigate the magnificent constellations scattered across the night sky. For £55, tickets include a drink reception, evening talk and dinner on Herm Common.

[Rock On Herm](#)

Though usually a very peaceful island, Herm does know how to occasionally rock out. The UK's biggest and best 80's rock show delivers all the biggest 80s rock classics with over 2 hours of rock anthems and power ballads.
